- not have previously harvested a deer with a firearm at the time of application

Rules

1. A chaperon must accompany all applicants. Applicants may select a chaperon (i.e., family or friend), or authorize Buckhorn Park to assign a qualified chaperon. This person will not be allowed to hunt or carry a firearm and must be at least 21 years old. The chaperon must have at least five years of hunting experience.
2. Successful applicants and their chaperons are required to attend a workshop in order to participate in the hunt. Chaperon must be the same person at both workshop and hunt weekend.
3. Deer gun hunting license is not required. A back tag will be furnished. This is a bonus deer and will not preclude the harvest of a deer during the regular season. The bag limit will be one deer of either sex. Only shot guns will be permitted. Muzzleloaders and rifles are not permitted.
4. If the number of qualified applicants exceed class limits, applicants will be selected randomly by a member of Friends of Buckhorn State Park.
5. Only students and chaperons will be admitted to the workshop. Students and chaperons completing the course will be issued permits authorizing their participation in the hunt.
